CR 13.1 RESOURCES & BASE

SPIRIT

Is the institution stable over time?
Is this institution, overall, a sustainable entity?
Does the institution have a sufficient resource base to support its mission and programs?
S 13.3 FINANCIAL RESPONSIBILITY
Is the institution living within revenues available to operations?
Is the institution living within cash flows available to operations?
Are financial behaviors sustainable?
All numbers must be documented historical, not projections
what happened to “recent history”?
Possible trends: Operational outcomes, cash flows, revenue streams, enrollment, net tuition, net tuition per FTE, etc.

CASE EXAMPLE
There is no one way to create this
This is NOT as bad as it gets

CR 13.1 VERSUS S 13.3
13.1 Core requirement versus 13.3 standard
13.1 Not reaffirmed versus 13.3 reaffirmation
13.1 Sanction versus 13.3 no sanction required
Probation versus Warning affects time

Think about whether financial distress has risen to a level that undermines the overall stability and/or resources of the institution
S 13.4 CONTROL OF FINANCES

SPIRIT:  EXTERNAL VERIFICATION OF INTERNAL CONTROLS

WHAT'S NOT ACCEPTABLE
System or State Management Letter (unless institutions listed individually)
Management Discussion & Analysis (MD&A)
Internal Audit Reports – not enough alone, may create more problems

IDEAS FOR DOCUMENTATION
- LACK OF FINANCIAL STATEMENT / CONTROL FINDINGS IN FEDERAL AWARDS AUDIT (if at institutional level)(excludes title IV)
- AUDITOR’S REPORT ON INTERNAL CONTROL – are there significant deficiencies or material weaknesses
- STATE / EXTERNAL OPERATIONAL AUDITS for individual institution
- MANAGEMENT Letter – if lists individual institutions
- Policies & Procedures about: safeguard cash, control of expenditures, etc.

13.6 FEDERAL & STATE RESPONSIBILITIES

- Audits of federal and state financial aid for individual institution
- Not for state or system unless institution clearly included
- Critical to address previous findings
- Perfection not required
- No PPA required
- Describe process and timing

Spirit: Is your federal & state financial aid externally audited?
Spirit: Are findings minor, isolated, new (not repeats?)

13.7 PHYSICAL RESOURCES

-CR eliminated
