* Two-year and four-year institutions offering no graduate programs are track A.

Institutions offering graduate programs are track B.

Red columns indicate institutional actions / responsibilities.

** Audit for the most recently ended fiscal year due with the compliance certification.

If unavailable consult with assigned SACSCOC staff member regarding later submission.

*** This letter will indicate if additional financial information is requested with the report. This usually results from previous financial difficulties with accreditation or from negative trends in financial information collected by SACSCOC.

Timelines may be impacted by actions of SACSCOC, the institution (such as substantive change), or external events such as hurricanes or other disasters.

*Timelines are provided for discussion purposes only. Changes in scheduling may occur.
For your exact dates contact your institution's Accreditation Liaison.*
