**Disclosure Statement Regarding the Status of
ERSKINE COLLEGE
Due West, South Carolina
Issued December 5, 2023, by SACSCOC**

The following publicly available information is provided by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) concerning the accreditation of Erskine College. Information presented below is in accord with SACSCOC's disclosure policy; SACSCOC staff cannot comment further on questions specifically related to Erskine College. The institution has reviewed this statement prior to public posting and was invited to submit official comments regarding SACSCOC Board of Trustees action.

Action by SACSCOC Board of Trustees took place on December 5, 2023, and the institution's next review is December 2024.

What is the accreditation status of Erskine College? Erskine College is accredited by the Southern Association of Colleges and Schools Commission on Colleges; however, the institution was denied reaffirmation, continued in accreditation, and continued on Warning for twelve (12) months following SACSCOC Board action on its comprehensive decennial review. SACSCOC accreditation includes all components of the institution—all programs, branch campuses, off-campus sites, and distance education programs as reported to SACSCOC; thus, the Warning status applies to the entire institution.

What does it mean to be denied reaffirmation, continued in accreditation, and continued on Warning? A Warning imposed by the SACSCOC Board of Trustees at the time of an institution's comprehensive decennial review follows a determination of significant non-compliance with the Core Requirements or Standards of the *Principles of Accreditation*—the accreditation standards of SACSCOC—for failure to make timely and significant progress toward correcting the deficiencies that led to the findings of non-compliance; or failure to comply with SACSCOC policies and procedures. The maximum total time during a monitoring period that an institution may be on sanction is two years. In December 2024, Erskine College will have been on Warning for two (2) years. For additional information about sanctions, see SACSCOC's policy entitled "[Sanctions, Denial of Reaffirmation and Removal from Membership.](#)"

Why was Erskine College denied reaffirmation, continued in accreditation, and continued on Warning? Erskine College was denied reaffirmation, continued in accreditation, and continued on Warning because the SACSCOC Board of Trustees determined that the institution failed to demonstrate compliance with the *Principles of Accreditation*, namely, Core Requirement 4.1 (*Governing board characteristics*), Core Requirement 13.1 (*Financial resources*), and Standard 13.3 (*Financial responsibility*). These standards expect an institution to (1) to have a governing board that (b) exercises fiduciary oversight of the institution; (2) to have sound financial resources and a demonstrated, stable financial base to support the mission of the institution and the scope of its programs and services; and (3) to manage its financial resources in a responsible manner. (To read the full statements for the standards cited above, access the [Principles of Accreditation: Foundation for Quality Enhancement.](#))

What will happen in December 2024? The SACSCOC Board of Trustees will consider the accreditation status of Erskine College following a review of a Monitoring Report submitted by the institution addressing the standards cited above for non-compliance. The Board will have the following options: (1) reaffirm accreditation and remove the institution from Warning without an additional report; (2) reaffirm accreditation, remove the institution from Warning, and request a Follow-Up Report submitted at the same time as the Fifth-Year Interim Report; (3) deny reaffirmation, recommend continued accreditation for Good Cause, place the institution on Probation, request a Monitoring Report, and authorize a Special Committee visit; or (4) remove the institution from membership for failure to comply with the *Principles of Accreditation*. SACSCOC staff will not speculate on what decision might be made by the Board of Trustees in December 2024.
